# Reception & Dining

This Reception is a captivating blend of style and functionality. It exudes an air of sophistication and comfort, achieved through a meticulous attention to detail in its design. The color palette is thoughtfully curated, creating a harmonious and visually appealing ambiance. The interplay of textures, from the plushness of the upholstery to the smoothness of the marble and the grain of the wood, adds depth and richness to the space.

**Lighting:** The recessed lighting and the pendant lights create a warm and inviting atmosphere.

**Decorative Elements:** The artwork, plants, and decorative accessories add personality and visual interest.

**Texture:** The combination of different textures, such as the wood, marble, and fabric, adds depth and dimension to the space.

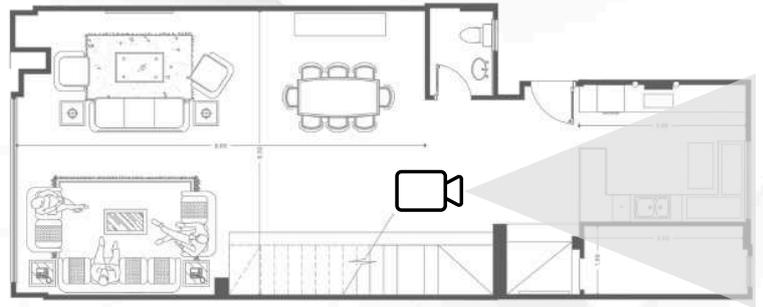

**Color Palette:** Primarily neutral tones (white, beige, brown) with subtle pops of color for visual interest.

**Materials:** A combination of natural materials like wood and marble, providing warmth and luxury.

**Lighting:** A mix of recessed and ambient lighting creates a cozy and inviting atmosphere.

# Kitchen:

**Open Layout:** The kitchen appears to be open to the living area, creating a sense of spaciousness.

**Neutral Color Palette:** The use of neutral colors like white, gray, and wood tones creates a clean and airy atmosphere.

**Natural Light:** The large window allows for plenty of natural light to flood the space.

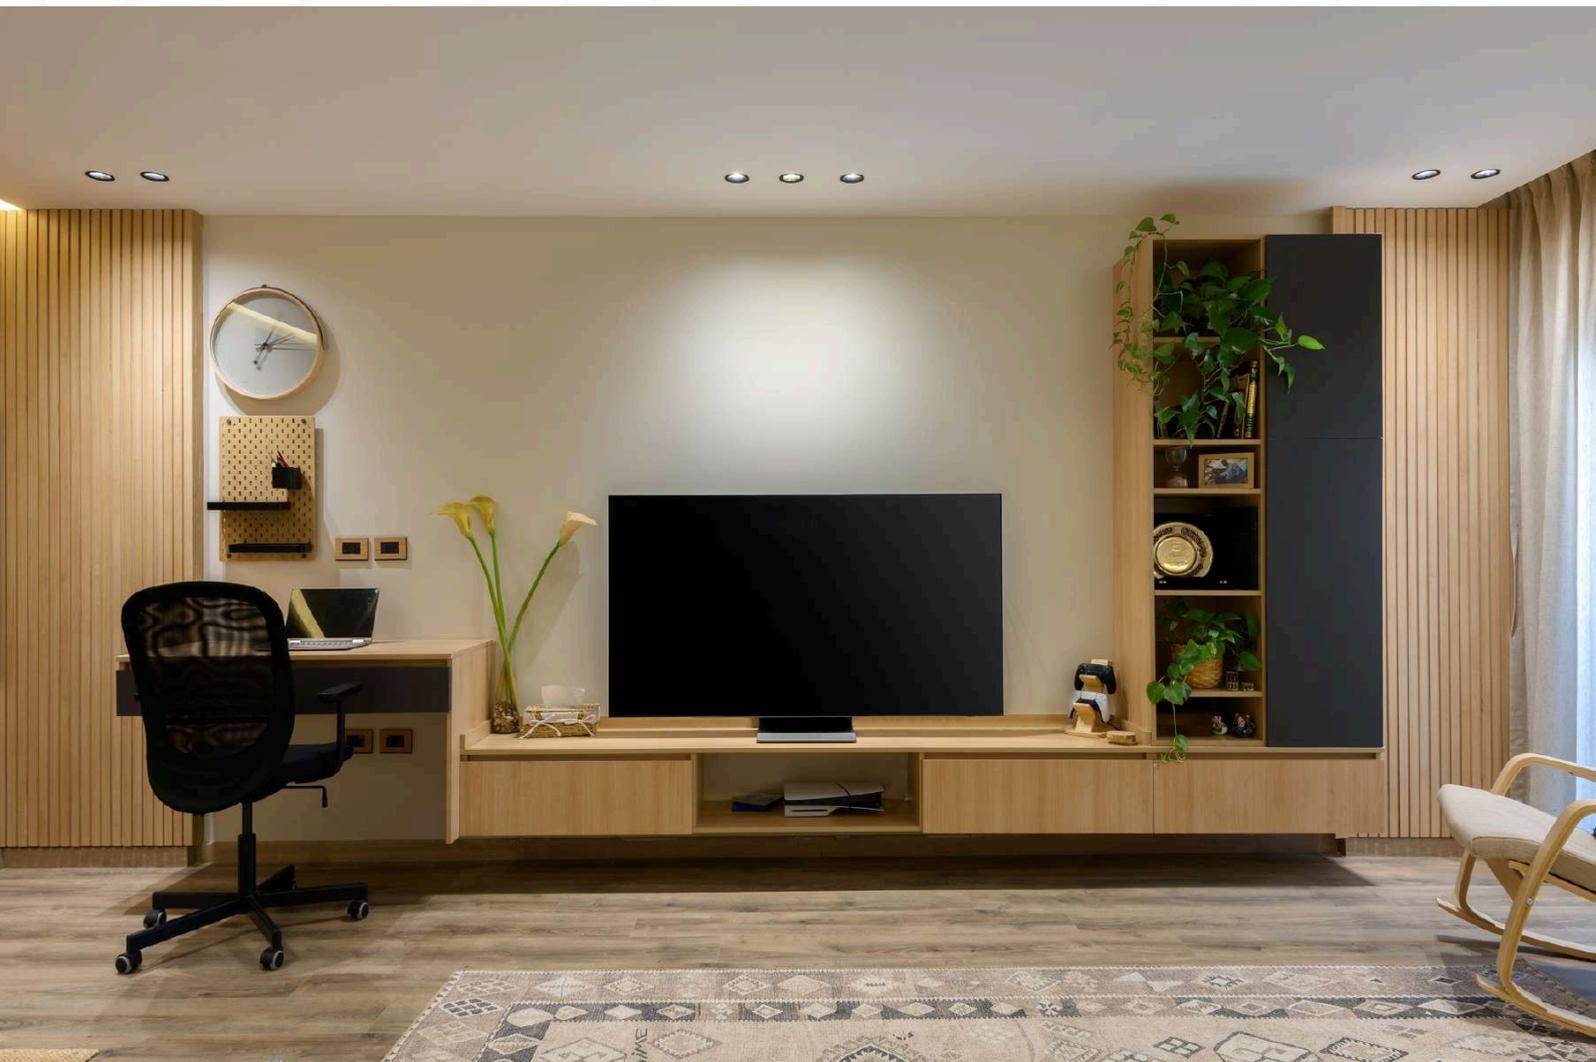

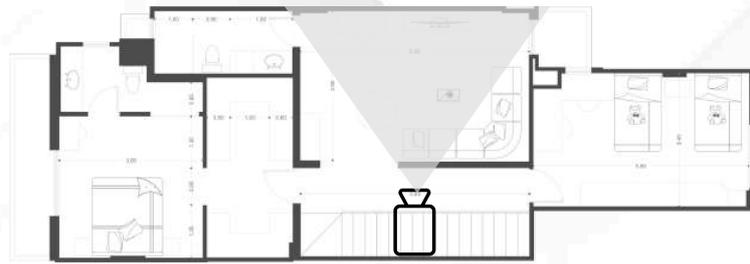

**Functional Island:** The kitchen island provides ample counter space for meal preparation and can also serve as a breakfast bar.

**Warm Wood Accents:** The use of warm wood tones in the cabinetry adds warmth and texture to the space.

# Living Room

The living room presents a modern and sophisticated aesthetic with a touch of mid-century modern influence. It exudes a sense of calm and elegance.

the wooden slat wall treatment is a simple yet stylish design element that can add warmth, texture, and visual interest to any space.

The flowers add a touch of elegance and bring a sense of nature indoors.

HDF flooring is a popular choice for homeowners and businesses due to its durability, and attractive appearance.

color palette creates a sophisticated and timeless interior with a warm and inviting atmosphere

# Living Room

The living room is a stylish and inviting space that is both functional and aesthetically pleasing. It is a perfect setting for entertaining guests or enjoying family meals.

This is a well-designed and functional space that is both stylish and comfortable. It's a great example of how to create a cozy and inviting atmosphere using natural materials and a neutral color palette and The wooden wall paneling: This adds a touch of natural warmth and creates a visually interesting focal point.

# Living Room

The living room is a stylish and inviting space that is both functional and aesthetically pleasing. It is a perfect setting for entertaining guests or enjoying family meals.

This thoughtfully designed workspace serves as a functional and stylish addition to the living room. It exemplifies a meticulous approach to creating a dedicated work area within a shared space, seamlessly integrating it into the overall aesthetic while maximizing its utility and enhancing the overall living experience

# Master BedRoom

The bedroom is a beautifully designed space that is both functional and aesthetically pleasing. It is a perfect retreat for relaxation and rejuvenation.

The addition of a statement chandelier, a potted plant, and artwork adds personality and visual interest to the space.

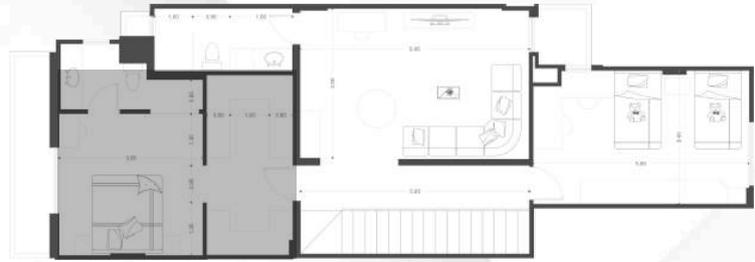

The textured wallpaper behind the bed adds visual interest and depth to the room.

The color palette is predominantly neutral with a focus on whites, grays, and soft browns. This creates a sense of calm and spaciousness.

# Master BedRoom

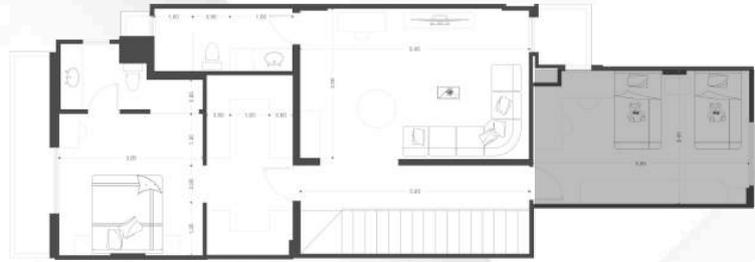

The bedroom is designed to be a relaxing and inviting retreat. The neutral colors, comfortable furnishings, and natural light create a peaceful and calming atmosphere. The addition of the nature-inspired wallpaper and decorative elements adds personality and charm.

# Kids BedRoom

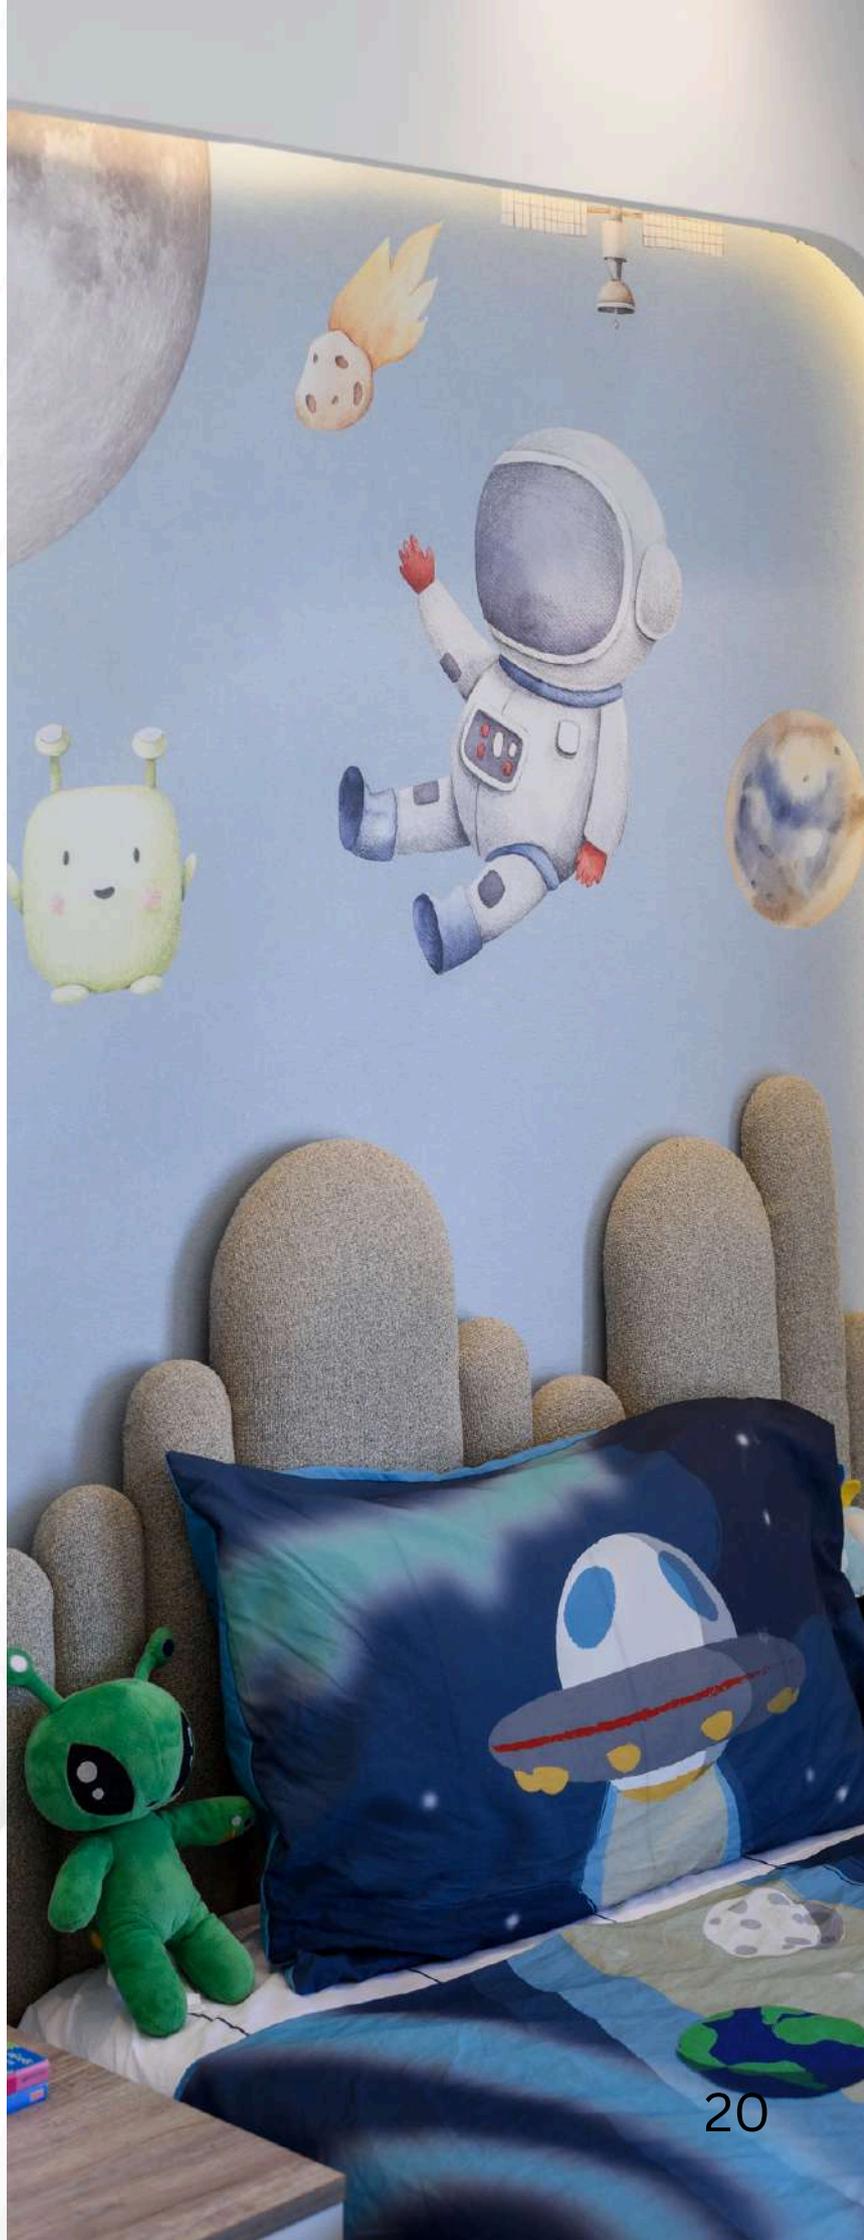

The room has a fun and whimsical style, perfect for young children. It combines playful elements with a sense of order and practicality.

This bedroom is a well-designed and inviting space for children. It is both fun and functional, encouraging creativity and imagination while providing a comfortable and organized environment for play and study

# Kids BedRoom

The bedroom has a playful and imaginative style, perfect for sparking a child's curiosity and creativity. It combines a sense of fun with a practical and organized layout.

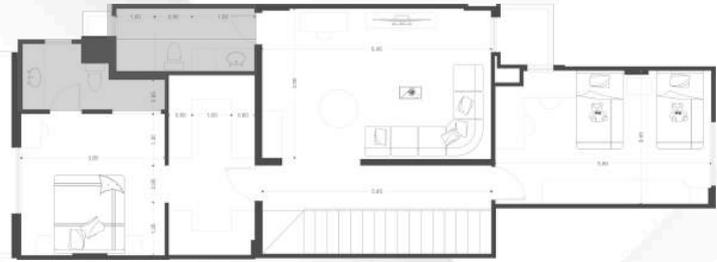

# Bathroom - Master

the master bathroom is designed to be a luxurious and relaxing retreat within the home.

# Bathroom - Main & guest

The bathroom is a well-designed and functional space that is both stylish and practical. It demonstrates a careful consideration of both aesthetics and functionality

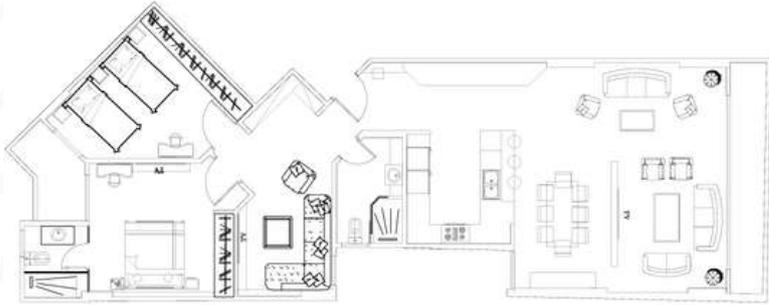

Despite its compact dimensions, this bathroom exudes a sense of sophisticated luxury. The judicious use of space and the incorporation of high-quality materials create an elegant and inviting atmosphere. The dramatic veining of the marble walls adds a touch of opulence, while the minimalist design ensures the space feels uncluttered and airy.

## 02-RAM-RES

Area : 160m  
Location: Downtown  
,Ramsis  
Type: Residential

Despite the daunting challenges of renovating an eighth-floor apartment in Ramses that lacked basic utilities like an elevator, water, and electricity, we were determined to create a beautiful and functional space. Through months of hard work and creativity, we transformed this seemingly hopeless property into a stunning modern oasis.

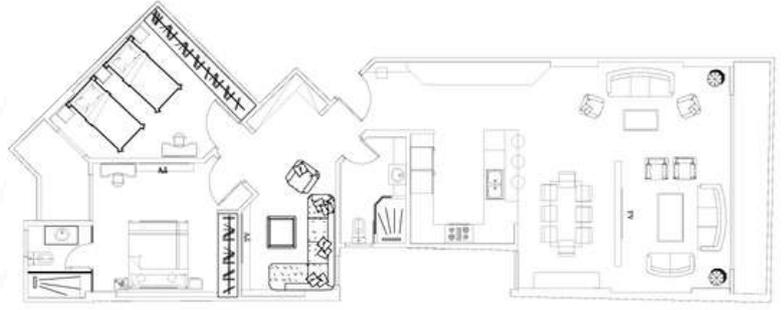

# R eception & Dinning

For this project, we created a sophisticated dining room that perfectly reflects our client's refined taste. The use of warm wood accents, recessed lighting.

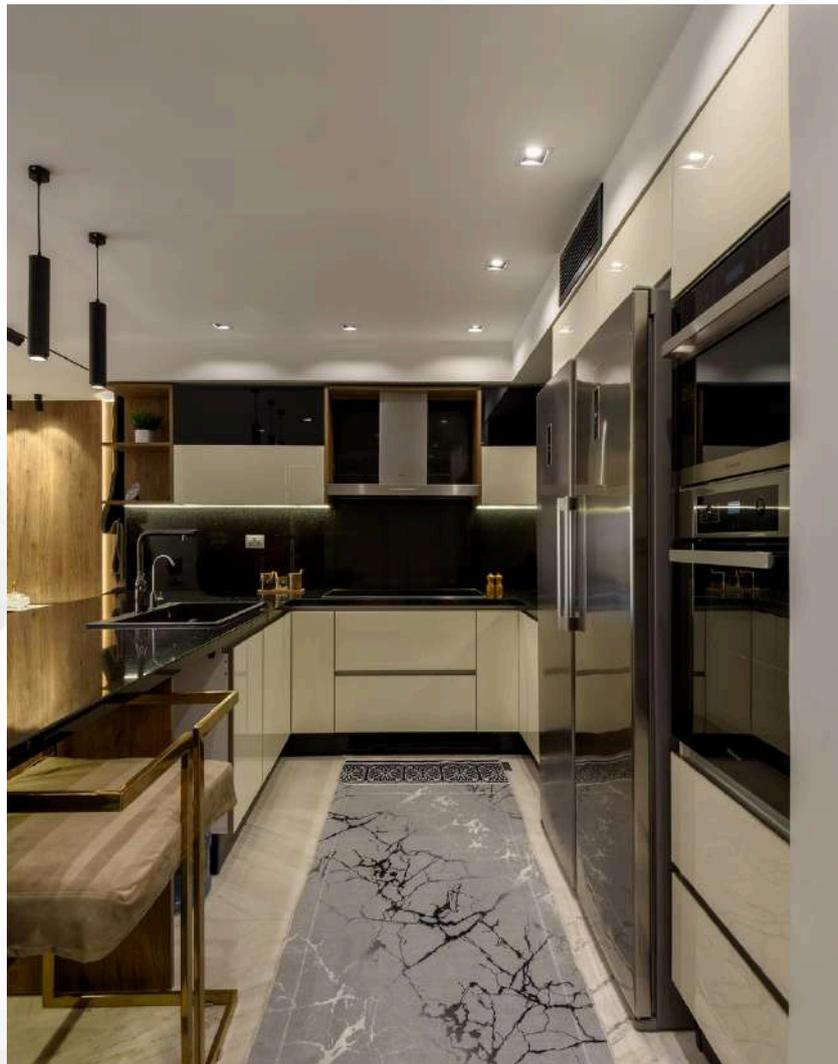

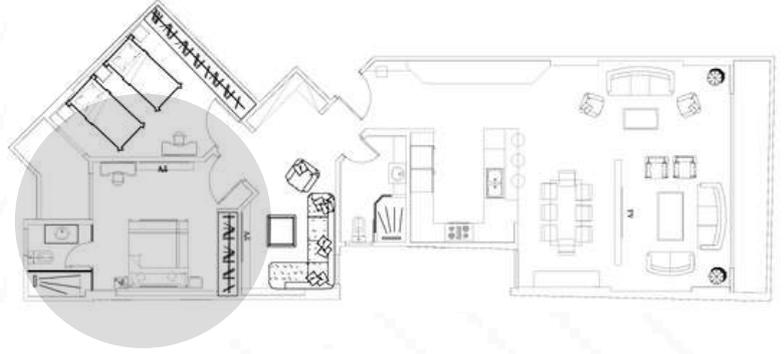

# Reception & Dining

For this project, we created a sophisticated dining room that perfectly reflects our client's refined taste. The use of warm wood accents, recessed lighting.

# Reception & Dining

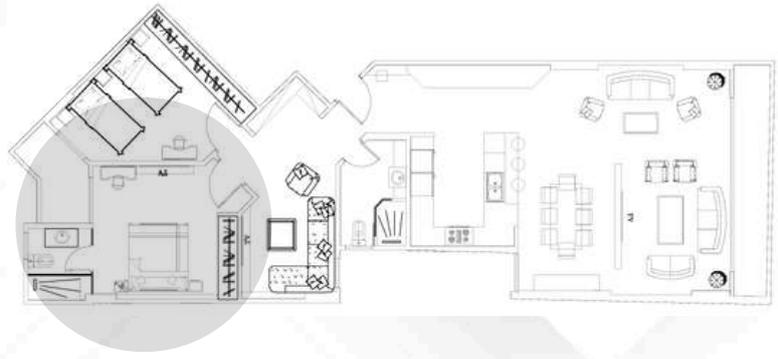

# M ASTER BEDROOM

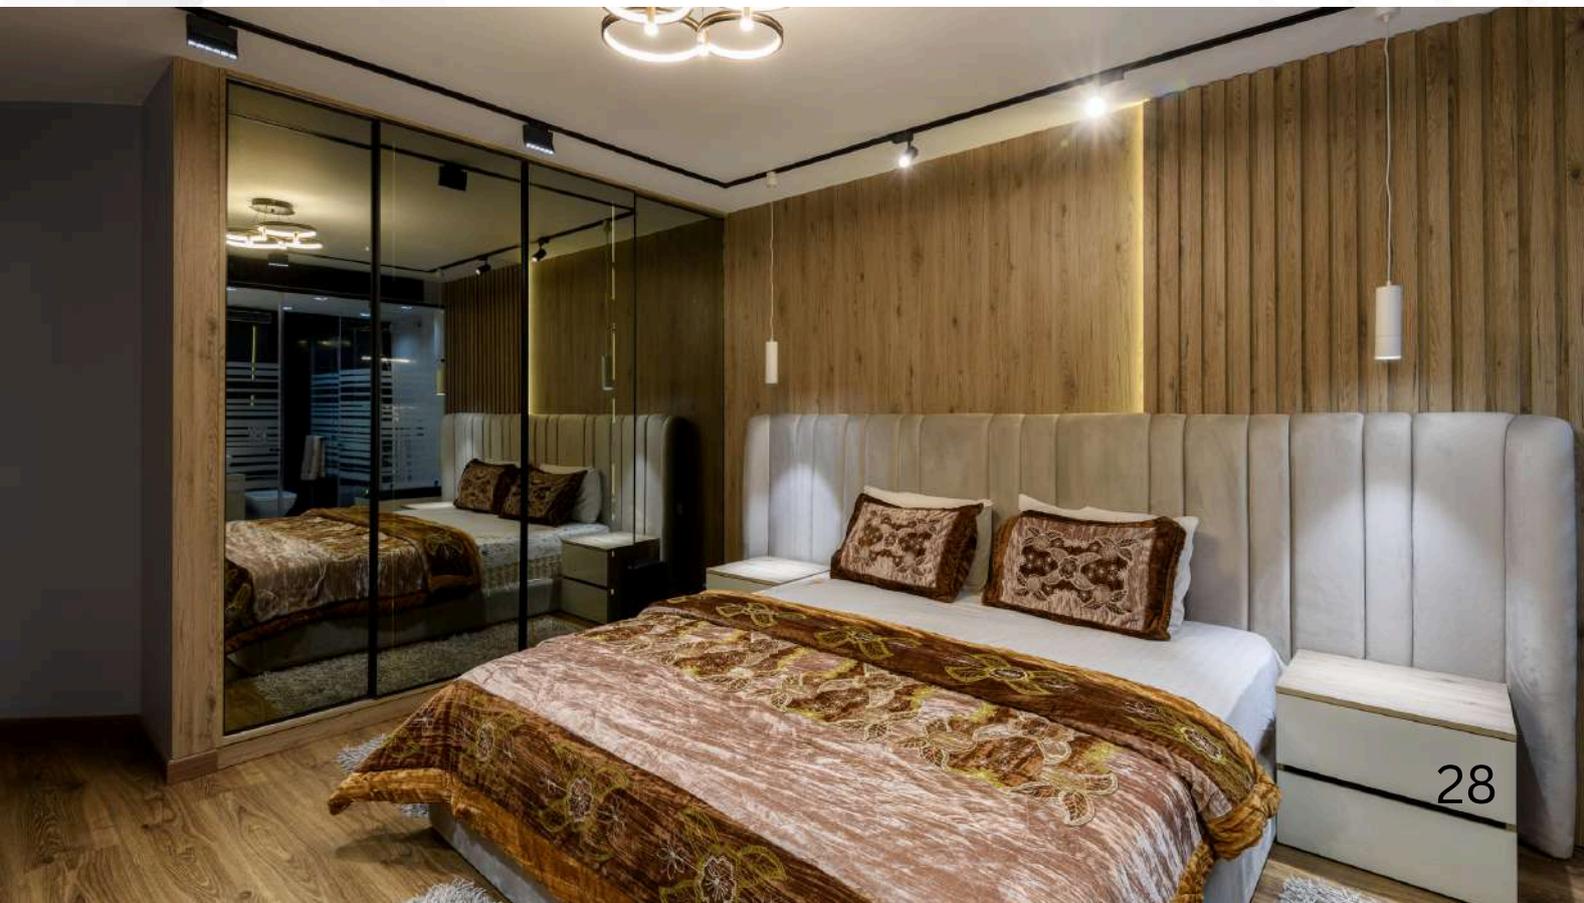

- This bedroom is a well-designed space that is both stylish and comfortable. It's a place where one can relax and unwind in a sophisticated and inviting setting.

# MASTER BEDROOM

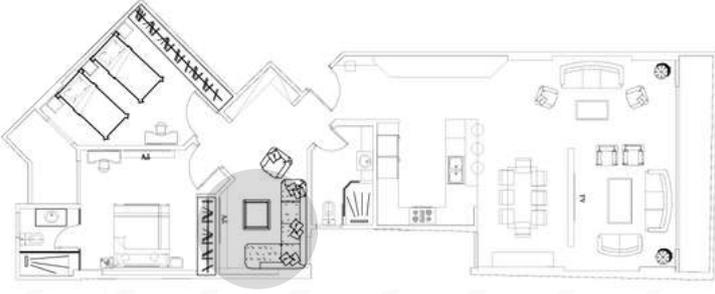

The overall design is clean and uncluttered, with a focus on functionality and elegance. Minimalist decor allows the natural textures and colors to take center stage. The prominent use of wood, both on the wall behind the bed and in the flooring, creates a warm and inviting atmosphere. The wood adds a natural touch and complements the neutral color palette.
